

Quick Start Guide

Sign up is Free!

Create a Free Account.

Click “Play Now,” then “Sign Up.” Follow the directions and get your activation email. If your email address has a strong spam filter, you’ll need to check your spam folder for the email. If you cannot find your activation email, send your Username and email address via our “Contact Us” homepage link and we will send you another activation email. Using your activation e-mail, select Open Chat or Safe Chat to complete your account setup. **More questions about signing up?** Use the “Help” tab on the Sifaka home page.

Paid Memberships

Only paying members have access to all the fun in Sifaka World. Just click the “Members” tab on the home page once you have your free account set up and you’ll see all the membership options.

Log In and Have Fun!

To play, click “Play Now” and then “Log In” and follow the directions.

You will enter Sifaka World in the treetops in front of the tree elevator. (See picture on the right) If you do not see your avatar, it is because other avatars are standing in front of you. Click your mouse on the area you want to visit. Sometimes you need to click more than once to first get moving.

Quick tips

To enter a room or building, click on the entryway.

To find out What’s New in Sifaka World, click on the lemurs.

To play a game, click on the game sign or the animal character at the game’s entrance.

Earn coins playing games so that you can buy food and shop for clothes and furniture.

How to Use the Tool Bar at the Bottom of Your Screen

(Follow the Numbers From Left to Right)

Click on:

1 The **albatross** and then click on a region to travel to another region.

2 The **juice box** to eat food or enjoy drinks you have bought. **Note:** If you don't feed your avatar, the heart meter in the upper left corner will go down and your avatar will turn grey!

3 The **shirt** to put on clothes or see other items you have. Items you are currently wearing have a red line around them. To put on or take off an item, click on it.
Hint: Great outfits are in Chameleon's clothing store.

4 "**ABC**" To talk using SAFE CHAT, and find something fun to say.

5 The **smiley face** to choose an emoticon to express your feelings. Everyone on the site sees everyone else's emoticons.

6 The **chat bubble** to use **Open Chat**. Click "OK!" and the text will appear above your avatar. People in open chat can see open chat messages. **Safe chat members cannot see them.**

7 **Bonzai and Ned** to view your **buddy list**. You can see who is currently on line with you. If a buddy is on line, click "GoTo" to find them. If your buddy is playing a game or changed regions right after you clicked on "GoTo", you will not see them. You will need to try again later.

8 The **home icon** to go to your home. Buy furniture for your home at Chameleon Clothes.

Socializing with other Avatars

To **ask someone to be your buddy**, click on his/her avatar and the avatar's profile appears as illustrated here. Click "Add".

To **remove a buddy**, click on that avatar and click "Remove".

To **go to another avatar's home**, click on the avatar and click the home icon.

To **ignore what another avatar is typing**, click on the avatar and click "Ignore".

To **report someone** who is not behaving nicely, click on that avatar and click "Report".

Meerkat Mines & Mystery Beach – Social Gatherings

These popular gathering places are great for chatting while playing. When at either of these places, double click to find treasures. Have fun & figure out what to do with the treasures!

Homes

To go to your home, click the home icon on the tool bar at the bottom of your screen.

To go to the homes of other avatars, click on their avatars and click on their home icons.

To decorate your home, click on “Tools” and your furniture inventory and tools for moving your furniture will appear. Click on an item in your inventory and it will appear in your room. Use the Tools arrow keys to move the item to where you want it to be in your room, then click the OK button.

To remove an item from your room and put it back in your inventory, click on the item and then click on the open brown recycling box.

To move an item that is already in your room, click on it and then use the arrow keys.

When you are done decorating, click “Tools” so the tools bar goes away.

Note: You cannot arrange furniture when another avatar is in your room.

To invite others to your home, have them click on your avatar and on your home icon. Make sure they have all done that before you go to your home. When they disappear from your screen you will know that they either selected your home or decided to go somewhere else. Have a good time entertaining in your home!
